

Want to know why Robin Hayes is running a negative campaign?
Politics as usual.

*Gas was \$1.22/gallon when Robin Hayes took office in 1999.

*More than 60,000 jobs have been lost in 8th District since Robin Hayes took office.

Let's start a real conversation about gas prices and the economy.

“There’s a lot of good we can do on the way to Washington.”
